Dancing Water Speaker

The Dancing Water Speaker with high sound quality is a great audio solution for your computer, notebook, or MP3 player. This speaker brings you to a whole new and relaxing experience of listening music, with its 4 colors LED show watershow fountain light, you will see jets of water that bounce along with the beat like the dancing water show. The speaker set is USB powered so you don't need a wall socket.

Highlights

> Provides high sound quality (Hi-Fi)
> 4 multi-colored LEDs with stylish design
> 3.5mm jack suitable for PC, NB, CD, and MP3 players
> Simple Plug and Play installation
> USB Powered
